Please indicate which of the following GBVF related building blocks exists in the municipality:

- Gender Responsive Budget
- Gender focal person
- Sexual Harassment Policy
- Gender Programmes

100-Day Challenge Convener *

E-mail *

Contact number *

Position

Section 2 - 100-Day Challenge information

Please select from this menu which focus area(s) you would like to organise your initial 100-Day Challenge around (you can choose more than one):

Prevention & Restoration of Social Fabric

- Reduce GBVF incidences in an area (for example, Sexual assault, Grooming, Sexual harassment, Stalking, Cyberharassment/Bullying)
- Zero tolerance of GBVF incidences in the municipality (for example, measured through an organisation opinion survey or number of investigations and close out of cases)
- Increase in the number of safe spaces (for example, providing early childhood centres, safe public transport, safe public spaces)

Response, Care Support & Healing

- Increase the number of GBVF shelters or centres (for example, re-purposing of unused buildings)
- Increase the referral network (number of service providers in the network) for crisis and post-crisis care and healing
- Increase the number of survivors who go through the referral system (accessing at least 4 services)
- Increase the speed at which survivors are assisted.
- Using technology to speed up response and care (for example, utilising an online Form 22 for reporting)

Economic power

- Street vendors (mostly women) indicated that they benefited from the municipality bylaws and/or registering as SMMEs.
- Organisations in the municipal area show an increase in GBV maturity in the Health Check journey.
- Municipal departments increase procurement from women-owned businesses
- Increase in the number of garnish orders of maintenance defaulters placed on municipality payroll.

Stakeholders - Please indicate which stakeholder groups and organisations should be consulted or engaged in shaping a 100-Day Challenge that focuses on your chosen area(s).

- Municipal managers
- Gender focal person
- Premiers office
- Police
- Legal aid
- Court employees
- NPA
- Sheriffs
- Department of Social Development
- Department of economic development
- Department of Safety
- Department of Transport
- Department of Public Works
- District Development
- Shelters
- Counselling services
- Thuthuzela centres
- District municipalities
- Department of Health
- Department of Education
- Traditional leaders
- Community groups
- Unions
- Development agencies
- NGO's
- Faith organisation
- Victims/Survivors
- Schools and higher education institutions
- Private sector companies
- Media
- Academics
- Taxi associations
- Restaurants and Bars
- Clinics
- Other

Who will be designated as candidates for the Ambassador role? Please provide names, roles in the municipality, and contact information. Since the Ambassadors will be asked to do their own pre-work in the week of 22-26 May, please include 3 names in case one of them is not able to complete the prework. Please note that the Convener can also be an Ambassador.

How much funds can the municipality commit towards the R 70,000 support for the team's 100-Day work plan? *

Municipalities can realign their Women's Month and 16-Days of Activism budgets to this support fund as the 100-Days will start on 1 Aug and end within the 16-days of Activism. This will ensure delivery on a GBVF impact area during these commemorative events.

Section 3 - Guidance on pre-work

Please provide the names of 2 to 3 leaders that will complete the two online orientation modules with the Ambassadors and Convener by 18 May. We will send them an e-mail with a direct link for the "GBVF Safeguarding" online module (60 min time commitment) and the 100-Day Challenge orientation module (30 min time commitment).
